Color:	Lux Onyx, Travertine, Nero Black, Nero Portoro, Jade Onyx, Rosso Levanto,	Traonyx, Travertine Rosso, Calacatta Viola Rosso,
Finish:	Matte	
Shape:	Round Tray	

The V Bookstand is a solid, geometric desktop accessory crafted from a single, continuous block of natural Onyx/ Marbles

Designed in Australia, this piece relies on a minimalist V-shaped profile to function as both a sculptural object and a highly practical display stand for open volumes, art books, or tablets.

The heavy, monolithic weight of the stone provides absolute stability, making it an elegant, functional addition to executive desks, coffee tables, and curated bookshelves. Because it is carved from natural material, the veining and color profile of each stand remain entirely unique.

Wipe gently with a damp microfiber cloth. Strictly avoid acidic cleaners or abrasive scrubbers to protect the stone's natural surface.
