Opus Duo
Sconce

Type: Sconce

Globe type: 2 G9 LED

Voltage: 110V-220V compatible

Wattage: 5W

Environment: Indoor

Installation: Hard Wired Wall Sconce

Design Highlights

Structure: Sleek round Calacatta Viola Marble base (7.9" diameter / 20 cm) paired with a frosted glass globe for soft, glare-free illumination.

Lighting Effect: The frosted globe emits a warm, ambient glow, while the Calacatta Viola base glows subtly when backlit, showcasing its veins.

Features
Handcrafted Uniqueness: Each marble is hand-selected for its veining - no two sconces are alike.

Sealed Stone: Treated with a non-toxic sealant to protect against dust and moisture.

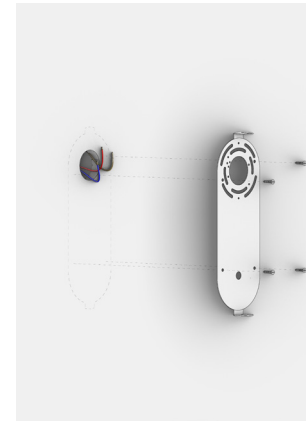

Care Instructions
Marble Base: Wipe gently with a dry microfiber cloth; avoid water or chemicals.

Frosted Globe: Dust with a soft brush or lint-free cloth.

Note
Due to the stone's weight, ensure walls are reinforced (e.g., studs, concrete).

INSTALLATION

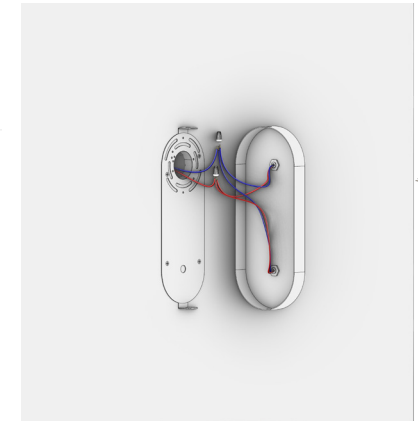

STEP 1

Drill & Secure

- Hold the hanging base against the wall at the desired height.
- Use a level to ensure it's straight, then mark screw hole positions.
- Verify no electrical wires/pipes are behind marked spots
- Drill holes at marked points using a masonry bit (for concrete/brick) or wood bit (for studs).

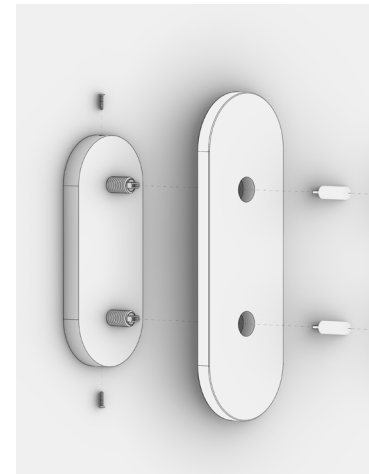

STEP 2

Connect Wires

- Important: Confirm power is OFF
- Feed home wiring through the base's center opening.
- Secure with wire nuts or terminal blocks.
- Tuck wires neatly into the electrical box.

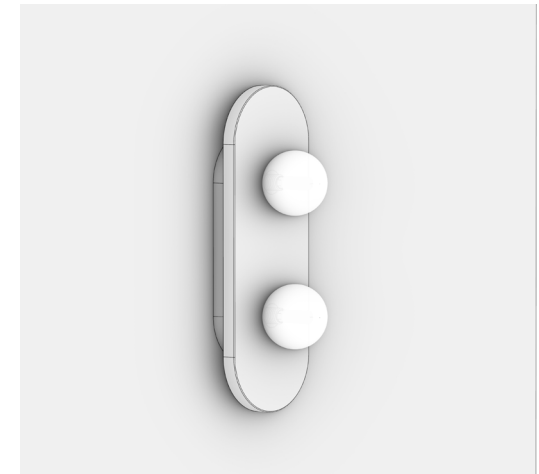

STEP 3

Attach the Light

- Align the lamp body with the mounted base.
- Install the bulb(s) into the socket
- Use only the recommended bulb type and wattage
- Secure the lampshade using its locking mechanism

STEP 4

Restore Power & Inspect

- Turn power back on at the breaker.
- Test the light. Check for flickering, unusual sounds, or heat.
- If issues occur, immediately turn off power and recheck connections.
