PRODUCT NO

ML12

Round Edge
Marble Light
with alabaster
globe

Type:	Wall Sconce
Globe type:	G9 LED
Voltage:	110V-220V compatible
Wattage:	5W
Environment:	Indoor
Installation:	Hard Wired Wall Sconce

Installation: Hardwired; professional mounting advised for secure placement.

Features
Handcrafted Uniqueness: Each marble is hand-selected for its veining – no two sconces are alike. Like all natural stone, variations in marble veining and alabaster cloudiness are inherent—these “imperfections” are Earth’s signature of authenticity.

Sealed Stone: Treated with a non-toxic sealant to protect against dust and moisture.

Care Instructions
Marble Base: Wipe gently with a dry microfiber cloth; avoid water or chemicals.

Frosted Globe: Dust with a soft brush or lint-free cloth.

INSTALLATION

STEP 1

Locate & Mark

- Hold the hanging base against the wall at the desired height.
- Use a level to ensure it's straight, then mark screw hole positions.
- Verify no electrical wires/pipes are behind marked spots

Drill & Secure

- Drill holes at marked points using a masonry bit (for concrete/brick) or wood bit (for studs).
- Insert wall plugs (expansion anchors) if needed.
- Align the hanging base with holes and fasten using screws. Ensure it's firmly attached

STEP 2

Connect Wires

- Important: Confirm power is OFF
- Feed home wiring through the base's center opening.
- Secure with wire nuts or terminal blocks. Wrap connections with electrical tape.
- Tuck wires neatly into the electrical box.

STEP 3

Attach the Light

- Align the lamp body with the mounted base.
- Install the bulb(s) into the socket
- Use only the recommended bulb type and wattage
- Secure the lampshade using its locking mechanism

STEP 4

Restore Power & Inspect

- Turn power back on at the breaker.
- Test the light. Check for flickering, unusual sounds, or heat.
- If issues occur, immediately turn off power and recheck connections.
