## Autumn Glow Pendant

Type: Pendant

Globe type: LED Module

Voltage: 110V-220V compatible

Wattage: 3-6W

Environment: Indoor

Installation: Hard Wired

### Design Highlights

Suspended from a whisper-thin cord, this hand-carved alabaster pendant distills illumination to its purest form. Expertly turned from a single block of semi-translucent alabaster, its smooth orb diffuses light into a warm, museum-quality glow that reveals nature's hidden artistry—delicate veins, cloud-like inclusions, and honeyed depths. Minimalist in form yet profound in presence, it transforms dining tables, entryways, or reading nooks into sanctuaries of serene light.

### Dimensions & Specifications

Alabaster shade 5.12" (13 cm) diameter, 4.33" (110mm) tall; Standard base diameter: 3.15" (8cm), US standard: 4.72" (12cm); Default configuration includes a 2m cable

Voltage: 110V-220V compatible.

Installation: Hardwired; professional mounting advised for secure placement.

Care Instructions  
Marble Base: Wipe gently with a dry microfiber cloth; avoid water or chemicals.
