Globe type: E26/E27

Voltage: 110V-220V compatible

Wattage: 3-6W

Environment: Indoor

Installation: Hard Wired Table Lamp

Elevate your interiors with this artisan-crafted table lamp.

Anchored by a bold red travertine cylinder base that celebrates natural stone's raw beauty. The clean silhouette is paired with a classic white fabric lampshade, adding a soft, ambient glow to any room.

Perfect for bedside tables, consoles, or styled shelving, this piece offers timeless design with a modern edge. Each base showcases natural veining unique to red travertine—no two are the same.

Perfect For: Statement lighting in living rooms, studies, or entryways.

Pairing with neutral decor to add organic texture.

Gifting as an heirloom piece for design enthusiasts.

Care Instructions
Wipe marble base with a dry microfiber cloth; avoid water or chemicals.

Dust fabric shade gently with a soft brush.

Keep away from direct sunlight to preserve stone integrity.
